**PASSAIC COUNTY ANNOUNCES NEXT FREE TIRE RECYCLING AMNESTY  
EVENT FOR RESIDENTS**

The Passaic County Office of Solid Waste & Recycling Programs will be holding its next Tire Recycling Amnesty Day for residents, to be held on Sunday, March 15, 2015 from 8:00 am to 2:00 pm, rain or shine. Residents of Passaic County may bring up to 4 non-commercial tires per vehicle to the recycling event which will be held at the Passaic County Para-transit Facility Parking Lot, located at 1310 Route 23 North, Wayne, NJ. This program is free of charge to Passaic County residents. No commercial businesses or commercially-generated tires will be allowed. “We are excited to provide an environmentally-safe outlet for tires in Passaic County which residents can utilize at no charge. Tires have been known to be fire hazards and are also dangerous breeding grounds for disease-carrying mosquitoes when water pools inside. In addition, illegally dumped tires are an eyesore and detract from the natural beauty of Passaic County’s open space,” Seiden said. Services provided by Tire Management of Paterson, N.J.
