Storm Drains

Please keep storm drains clear of leaves and debris. This helps keep water flowing when we have heavy rain. You can always call the DPW at 973-475-7133 or go to our website and send a [Report a Problem](#) when you see a clogged drain.

What it looks like on website

Leaf Disposal

Interstate Waste picks up leaves curbside during the months of October and November. Leaves must be bagged or put in a garbage can at the curb, no closer than 10 feet to a storm drain. It is illegal to dump in any open waters in the Borough or blow leaves into the street. Residents can also bring their leaves to the Recycling Center. Landscapers are not permitted to dump at the Recycling Center.

Bocci Court Upgrade is Complete

The DPW finished the restoration of the Bocci Courts and Horseshoe Pits behind Borough Hall. We hope you come by and enjoy them!

Help! Who Should I Call?

The DPW office hours are Monday through Friday, 8:30am to 4:30pm. If you have an urgent matter out of these hours, please call the Police Department at 973-962-7017. If it is not urgent, please leave us a message or send us a [Report A Problem](#) and we will get back to you when we return to the office.

Preparing for Winter

Although it is hard to believe, winter will be here before we know it! Please take the time during the early fall to prepare for the winter. This means [preparing your water pipes for frigid temperatures](#) to avoid them freezing, making sure storm drains, drainage pipes and gutters are clear of leaves and debris.

Make sure your vehicles are ready as well. Check your tires to make sure they are in good condition or switch to snow tires. Put an ice scraper, ice melt and an emergency kit in your vehicle in case of being stuck in a storm.

We are preparing our vehicles, so we suggest you do to!

Garbage/Recycling Dept. (973) 475-7179

Heavy Metal Pick Up

Ever wonder how to get rid of that **old stove** or **dishwasher** you have? What about that **metal outdoor table**? The Borough does a Heavy Metal Pick Up every Wednesday. Please call 973-475-7179 to schedule your pick up by Tuesday at 1:30pm to be on the Wednesday pick up list. Go to the [Garbage/Recycling page](#) to find out more. You may also [e-mail](#) or call us with any questions.

Recycle Coach

When you sign up for [RECYCLE COACH](#) you can get alerts as to when your garbage and recycling need to go out, find out how to get rid of items and more! You can even download the app, so the info is right on your phone. Visit the Borough website for all the details!

Recycle Center Hours

Our Recycle Center, located on Peter's Mine Road, is open on Wednesdays from 12pm-5pm, Saturdays and Sundays from 9am-5pm. For a full list of [what is accepted at the Recycle Center](#), you can visit our [Garbage/Recycle page](#) on the Borough website. If the Recycle Center is closed DO NOT leave any items in front of the gates.

Please Recycle at the Curb

Did you know that taking your recycling to our Recycle Center costs the Borough extra money to have it taken away? When possible, **please put your recycling at the curb**. This is included in our vendor contract.

Fall Leaf Collection

Fall Curbside Leaf Collection begins October 1st and runs through November. Curbside collection also includes small brush (plants, shrubs & branches). No grass clippings will be collected. **There are no set days for collection.**

Visit the [Garbage/Recycle page](#) on the Borough website for more info.

Town-Wide Yard Sale

Ringwood's Town-Wide Yard Sale is on Saturday, September 23rd and Sunday, September 24th from 9am-4pm. Rain or shine. Maps will be available on our website the day before the sales. The last day to [register](#) to have your sale on the town map is Friday, September 1st.

Passaic County Recycling Events

[Passaic County](#) has many events throughout the year. We have attached the events on [page 7](#) and also have them posted on our [Community Calendar](#) on our website, and on our [Facebook page](#).

Upcoming Holiday Collection Changes

SEP 4—No Garbage & Recycling—all collections pushed to the next day all week, ending with Friday's collections picked up on Saturday.

NOV 23—No Garbage—collection pushed to the next day for the rest of the week, ending with Friday's collection picked up on Saturday.

DEC 25—No Garbage & Recycling—all collections pushed to the next day all week, ending with Friday's collections picked up on Saturday.

Consider Composting

Composting is nature's way of recycling. It is one of the most powerful actions we can take to reduce our trash, address climate change, and build healthy soil. By turning our food scraps and yard trim into compost, we can transform our waste streams into a beneficial, value-added soil amendment and use it to protect the environment and create resilient communities.

- Composting is a resourceful way to recycle the food scraps and yard trim you generate at home all year and manage your waste more sustainably.
- You reduce the volume of materials that might otherwise be disposed in landfills or trash incinerators - leaves, grass clippings, yard trim, and food scraps - and prevent powerful greenhouse gases from being emitted into the atmosphere.
- Composting involves minimal effort, equipment, expense, and expertise, and can be fun.
- You save money by producing a free, high quality soil amendment - compost, which reduces your use of fertilizer and pesticides.
- You can use your compost to build healthier soil, prevent soil erosion, conserve water, and improve plant growth in your garden and yard.

LET'S TALK SEPTICS!

Routine inspection and pumping of your septic system can help avoid or prolong the cost of repair and/or replacement of your system. In addition, maintaining your septic will protect property value. A system in malfunction or disrepair can lower the value of a home. Most importantly, proper maintenance can help protect your wells, lakes and the environment from harmful pollutants for yourself and your neighbors.

FREE RADON TEST KITS AVAILABLE

Radon is a radioactive gas that occurs naturally when uranium and radium break down in the soil and in rock formations. Radon gas moves up through the soil and finds its way into homes through cracks in the foundation and openings around pumps, pipes and drains.

Fortunately, testing for radon is simple and inexpensive. Certified radon measurement businesses provide testing services or do-it-yourself test kits. Test kits can also be obtained from many hardware stores and home improvement stores. Also, Ringwood Health Department has free kits available, while supplies last.

For more information on radon, contact the [Ringwood Health Department](#) at 973-962-7079 or the DEP Radon Program at (800) 648-0394 or visit www.njradon.org.

WHEN YOU'RE WASHING YOUR CAR IN THE DRIVEWAY, REMEMBER YOU'RE NOT JUST WASHING YOUR CAR IN THE DRIVEWAY.

Rain washes pollutants into storm drains and directly into our lakes, rivers and the ocean. So what can you do? Take your car to a car wash where the water gets treated and recycled.

Curbside leaf collection in the Fall runs from October 1st through November 30th. Leaves must be placed at curbside Monday mornings prior to 6:30 am. Leaf pickup will start Monday and continue throughout the week. Leaves must be placed in recyclable, biodegradable brown leaf bags (such as Union Camp, RCI or comparable bag). Bags are available for purchase at Home Depot, Stop & Shop, and similar stores. Leaves may also be placed loose in trash cans provided the cans are no larger than 32 gal and weigh no more than 50 lbs. when filled. It is helpful to label leaf cans. No plastic bags will be accepted at curbside.

Curbside leaf collection also includes small brush (plants, shrubs and tree branches).

Brush must not exceed four feet in length and two inches in diameter and must be tied and bundled, placed in leaf bags or in cans. Leaves and small brush are accepted throughout the year at the Recycling Center and must be debagged when dumped. NO LOGS OR STUMPS WILL BE ACCEPTED. NO GRASS CLIPPINGS ALLOWED, as per State of NJ mandate. A list of Grass Markets can be found by visiting www.ringwoodnj.net and clicking on the Garbage/Recycling Page.

Questions about the Curbside Leaf Collection Program should be directed to the Recycling Contractor at (866) 342-5497 or the Ringwood Recycling Department at (973) 475-7179 or e-mail recycling@ringwoodnj.net.

UPDATED CURBSIDE MATTRESS COLLECTION POLICY

For the safety of the Interstate Waste staff, ALL mattresses and box springs MUST be covered in plastic for curbside collection.

Any mattress or box spring put at curb without being wrapped in plastic, will not be collected. We apologize for the inconvenience, but the safety and health of employees is a top priority.

Please call Interstate Waste with any questions or concerns regarding their new policy at 866-342-5497.

Thank you!
