**Book your 2025 Blood donation NOW:**

## Donor - Frequency of Blood Donations:

Donors must wait at least eight weeks (56 days) between donations of whole blood and 16 weeks (112 days) between Power Red donations. Whole blood donors can donate up to 6 times a year.

- Whole Blood - A healthy adult can donate whole blood every 56 days, or eight weeks, up to six times a year
- Power Red - Can be donated every 112 days, up to three times a year. This type of donation is only available to donors with type O, A negative, or B negative blood
