

Ringwood Recreation 2026
THE FUN STARTS HERE!

Mindful CREATIONS

Create with intention. Connect with yourself.

♥ The youth are invited to explore a variety of artistic mediums, including drawing, painting, and clay, while focusing on creating with intention. Each project is designed to encourage mindfulness, creativity, and personal reflection.

♥ Through the artistic process, the youth will explore meaningful themes that help build self-confidence, strengthen emotional awareness, and foster a deeper connection to their unique inner strengths.
