

Ringwood Recreation 2026

the fun starts here!

3D DESIGN & PRINT

GRADES 4TH - 8TH

**REGISTER ONLINE AT [COMMUNITYPASS.NET](https://www.communitypass.net)
UNDER THE SEASON "SUMMER CLINICS 2026"**

Take this class and you'll dive into the exciting world of 3D printing and design. From fidget stars to custom objects, you'll learn how to turn your ideas into digital models by developing your design skills. You'll get to experiment, be creative, and collaborate with others in a relaxed, supportive environment. By the end of the class, you'll have a handful of your own custom-designed creations to take home and show your friends and family!

TUESDAYS - 6:00 pm-7:00 pm
June 23, 30, July 14, 21, 28

Ringwood Community Center
UPSTAIRS - 112 Erskine Road

\$155

Instructor is Bill Helphingstine. Bill lives in Ringwood and teaches in Rutherford. He graduated from the University of Michigan and has been teaching for 27 years. His current courses include a variety of coding, 3D design/printing, robotics, and drone use/development. Over the past 13 years, he has also coached multiple robotics teams to the World Championships!
